Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or Topic: HB3856

I Urge you to Oppose HB3856 we already pay some of highest income taxes. This tax isn't even ODFW specific and some of the tax funds can be put into the General Fund. Oregon residents DO NOT need more taxes. We are already overburdened with taxes and regulations that make trying to earn an income that we can live on almost impossible. Rather than creating new taxes, maybe you should be better managers of the existing funds you get.

Oregon wastes to much of it's taxpayers money on things that DO NOT help the average taxpayer.

VOTE NO on HB3856
