Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

“I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court’s stay is lifted, for full implementation of Measure 114. I am a mother of two young toddlers, and my husband and I fear for their safety amongst the gun culture of this country every day, especially as they get closer to school age. I voted with the highest of hopes for one logical step toward increasing the safety of children - Measure 114 is this step. It’s time to begin saving lives. ”
