

## Support of HB 3075-1

I am an Oregon voter and I support HB3075-1. **Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114.** We passed Measure 114 to reduce gun violence. It's time to begin saving lives.

HB 3075-1 will help ensure a smoother and more rapid implementation of Measure 114.

As a volunteer member of the LEVO Committee and one of thousands of volunteers, I worked to get Measure 114 on the ballot and voted for it. Now it's time to take this one step too get it smoothly implemented this session.

My college daughter at Pacific Lutheran University watched her teacher get shot and killed on campus. No student should have to experience this trauma...much less his son that was also at the school.

**The time for senseless killing needs to stop now.**
