

Submitter: Martha Knight
On Behalf Of: Myself
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3856

We don't need another tax put upon us. We pay enough taxes already. Five years ago we were slapped with a \$10.00 fee on our water bill which we were told was too go for fixing our roads here. I have yet to see any residential roads with holes in them fixed. I've seen brand new sidewalks being constructed and old ones fixed. Cars drive on roads not sidewalks. Another tax by Oregon law makers should not be passed!!
