Why do you people continually try to tape Oregonians for there hard earned money. Kotek needs to appoint a DOGE committee and reduce the outgoing funds designed for frivolous programs and fleecing of tax payers. You people do nothing but figure out sneaky ways to pass money grabbing bills. Please stop taking my money. Now, using ODFW as the vessel to increase the general fund is downright underhanded as is possible. You know as well as I that ODFW is a horrible management program. Please stop the insanity. Thank you!!!!!!!
