I oppose all new taxes. This one is no different. Figure iut how to utilize what we are already paying. Maybe DOGE yourselves and find out that you're most likely wasting or using money inappropriately. I returned to Oregon after being away 10 years, but I lived in PNW since birth and I don't like the state it has become and thats greatly having to do with the politics, taxes and crazy laws you put in place. No more taxes!!!!
