Measure, Appointment or Topic: HB3856

I stopped hunting and fishing in Oregon because of ODFW poor management of game animals. They are only concerned with protecting predators.
Now it sounds like you want to tax me to fund the organization that is losing money because of poor management. While this is normal for the new Oregon, It is not okay.
Along with that I believe that the voters passed a law stating that the government could not pass taxes without voter approval?
Signed another person who is considering leaving Oregon.
