Mike Buck

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

Respected Representatives,

Thank you for giving comprehensive thought to how we can judiciously protect our fellow citizens and residents from unnecessary, unwarranted gun violence. This measure comes after thoughtful engagement with prudent and reasonable restrictions that help address community safety while not forfeiting rights. I urge you to support these modest measures.

Thank you for your service.

Mike Buck
