

Submitter: Waylon Mobley

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Ballot Measure 114 is a ridiculous slap in the face to Oregon's law bidding citizens and should have never made it this far. You will empower criminals and make me one in the process.

Sad times for Oregonians, drain the swamp and do not pass 114 it's totally BS.
