Dear Friends,

A man was shot to death on the street where I live this week. We don't know why, we don't know what happened. What we do know is that he was loved. There is a memorial with dozens of candles and balloons and photos and notes. He was only 33 years old. It doesn't matter if he was a good guy or a bad guy, he should not now be a dead guy. We should do anything we can to prevent another shooting and another death. Guns are what kill people.

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives.
