HB3755

Please support HB3755!!! It's almost impossible to continue to RENT my own property from the State while still paying a mortgage and collecting social security. We shouldn't have to pay rent to the State and pay mortgage at the same time. The electric bill has gone up to over \$500 a month!!! And my property tax went over \$160 a month just last month!!

At some point I hope property tax is completely eliminated as fraud, abuse and waste

.....

Thank you
