Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075 is flawed and an egregious attempt to make firearm ownership overly and unlawfully burdensome for the law abiding citizen. No effort has been made by the Democrats to stop the core reason behind gun violence, which is mental health issues. Democrats placate themselves and infringe on the rights of law abiding citizens.

Both this measure and MZ114 violate the constitutions of Oregon and the United States. I'm firmly against them and urge that they not be passed, sparing us the legal costs and inevitable overturning that will follow. Activism doesn't override our constitutional rights.
