Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives! I have a college student and continually think about her risk being at a large educational institution. Our children and teachers should not have to fear, prepare for or think about a potential deadly situation with a gun in the wrong hands. Please take the right action, now. Thank you.
