Measure, Appointment or Topic: HB3076

I am writing to support HB 3076.

As a former licensed counselor who has worked with victims of gun violence I care that we have safer communities.

We need to stop the flow of illegal guns. States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%.

Nearly all other industries - taco trucks, salons, nail shops - are inspected. We must ensure the most deadly industry is held accountable to basic business standards.

I care deeply about our state and want to ensure my child - and future generations - are safe in our cities.

Please pass HB3076 to keep crime guns out of our communities.
