Measure, Appointment or Topic: HB3075

Chair Kropf, Vice Chairs Wallan and Chotzen, and members of the Judiciary Committee:

I am writing in support of 3075, because, like the majority of Oregonians, I supported Measure 114 in 2022. I knew then and I know now that we need common sense gun violence prevention measures to prevent homicide and suicide deaths in our state. Studies show that implementing a permit to purchase system will help prevent those deaths. The Oregon Appellate Court has upheld Measure 114, now it's time for the legislature to act to make sure we can put these important and necessary implementation steps in place. I appreciate your hard work and for this opportunity to submit testimony.
