

Submitter: Stephanie Akins

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3626

I'm a daily e-bike commuter, almost 10 miles round trip 5 days per week, and the e-bike has helped me tremendously to maintain my cycling. I'm over 50 and physically it's getting harder but the e-Bike keeps me moving, joints moving, mental clarity and fresh air, rain or shine.
