HB3075

I gathered signatures for Measure 114 and voted for it. Now it's time to take this one step to get it smoothly implemented this session. I am a lifetime Oregonian and believe gun ownership is a right, even though it is not for me, but it carries restrictions similar to things like obtaining a drivers' license. You can't go out and drive a car without a written and behind the wheel test. Why can you own a gun with a couple hundred buck?
