I already pay enough in taxes to the state or Oregon! I do support the ODFW and their mission, but I cannot pay even more in taxes! Especially when anything collected beyond what is budgeted goes to the general fund! You all need to manage that account the way I have to manage my personal bank accounts! You don't get to ask for more money from people who can't afford it because you have failed to manage your accounts correctly! Stop spending dollars on no's in Portland, Eugene, and Salem!

I strongly oppose this bill!
