I cannot express how opposed I am to this proposed legislation. It will not accomplish it's stated goals, and seems punitive to law abiding citizens. Indeed, I find it personally offensive, and unconstitutional. I am a 73 year old, USMC veteran. Raised in the Willamette valley, raised my family here. Life long sportsman, enjoy my pioneer license for hunting and fishing in our incredible state. There was nothing wrong with our state law's that were in place for decades.

This is simple fear mongering and will not halt crimes, nor disarm criminals. A waste of time and money, at the very least.
