As an Oregonian working in Oregon for over 25 years I have paid plenty of taxes to the state. Additionally the state issued me to hold an Oregon license to perform my job. I pay the state of Oregon to have the right to work in the state that I pay taxes to! The OBMI doesn't do anything for me other than take my money and allow me to work! So no, I do not think there is any need for me to pay anymore income tax! You already don't represent me in the choices you make.
