NO, NO, NO.....on this gobbledygook of a voting bill. Are you trying to see just how convoluted you can make the election process? Voting must be straightforward and clear for all to understand.....unless you are looking to have it so confusing that cheating will be more easily accomplished. Besides, we already soundly voted down ranked choice voting. Don't try to slip it in with this bill. So, I'll repeat....NO on HB3166.
