It is time to stop the easy flow of guns in Oregon. I am shocked and horrified to find the average gun dealer is only inspected once every 57 years. No wonder 6,000 crime guns were recovered in our state last year. On a personal level, I know of families devastated by gun violence. We can do better.

Most other industries have standards and inspections. We must ensure the most deadly industry is held accountable to basic business standards.
Please pass HB3076 to keep crime guns out of our communities.
