Jennifer Kamprath

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3755

I support this bill. I have been a tax paying citizen since I was 15 years old, almost 50 years. The citizens are overburdened with taxes and regulation. Seniors have paid a lifetime of taxes and shouldn't be forced out of their homes due to Oregons never ending tax greed

Please support this bill
