

Submitter: Joshua Richmond

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This is an unethical and gross violation of citizens second amendment rights and does nothing to reduce crime only makes criminals out of law abiding citizens as well as putting law abiding citizens at a disadvantage in protecting themselves and their loved ones as we continue to have issues staffing police in all areas. It will potentially negatively effect the state as people will leave for more constitutionally friendly states
