HB3075

I support House Bill 3075 because it will help make sure Measure 114 can go into effect smoothly and quickly. Oregonians came together to pass Measure 114, it has passed the courts, and now it's time for the Oregon legislature to ensure it goes into effect. Oregonians clearly want to ban the purchase of magazines that hold more than 10 rounds of ammunition and to require a permit for anybody purchasing a firearm. These are common sense solutions to the gun violence that plagues our communities. Thank you
