Measure, Appointment or Topic: HB3075

We live on county line. It's just my elderly mom and I. It takes 45 minutes to 4 hours for county to arrive. We've had violent drugged out aggressive squatters threatening our lives and home and steal so many things. Please we're disabled and need to protect ourselves since there's not enough deputies and our county is large. Please we don't have strength like them. Let us protect ourselves. Thank you.
