Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075 is a violation of the constitutions of both the state of Oregon and the United States. I am firmly against this power grab and urge that this measure must not pass.

This is a flagrant attempt by Democrats to penalize law abiding citizens who wish to exercise the 2nd amendment, making firearm ownership unlawfully burdensome.

Instead of attacking the rights and freedoms of law-abiding citizens via measures such as this and MZ114, legislators should be coming together to address the NON-PARTISAN issue of the mental health crisis that exists in our state and is at the root of many problems, only one of which is gun violence.

Turning an American right into a privilege/license is unconstitutional. Do not pass this.
