Measure, Appointment or Topic: HB3075

HB 3075 are antithetical to both the state of Oregon constitution and the constitution of the United States. It is an infringement on our rights as Oregonians and Americans. Creating systems that are biased to police creates massive and dangerous opportunities for equity and inclusion to gun owning Oregonians. Restricting law abiding Oregonians will no have effect on crime and put vulnerable communities further at risk by restricting their right to bear arms and defend themselves.
