Measure, Appointment or Topic: HB3075

I oppose OR HB 3075 because it violates our constitutional rights to bear arms. Of particular concern is that it introduces a permit system that gives too much discretionary power to police which could lead to bias of who should/shouldn't own a firearm. I also don't believe this bill would be an effective strategy for minimizing gun violence. I think there's also the likelihood that this bill, if passed would disproportionately limit access to firearms for minorities, exacerbating already existing inequality. Thank you for recording my testimony on this bill.
