Oregonians can't afford any more taxes, we aren't even breaking Evan and haven't been for along time. Trying to pass more taxes through this method so it doesn't get noticed, is completely dishonest and horrifying, unfortunately, it is absolutely and completely expected, not even surprised anymore. I absolutely oppose any new taxes and I would ask that after Doge and Elon Musk are done with the federal government, that they come audit our state government. This is a disgusting and dishonorable act, all to common in this state. Let the Greater Idaho movement happen!
