Measure, Appointment or Topic:

HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives. The evidence is super clear: these are 3 of the most effective policies that will save lives. Research found over a 10 year time period, this policy will save 1,000 lives in Oregon.

The gun industry brought lawsuits against this law Oregonians passed. Out of state gun lobby groups are paying for those lawsuits. Now Measure 114 has been found to be constitutional in both state and federal court. We want to see Measure 114 go into effect as soon as possible. Please ensure the state has the resources and ability to support a smooth implementation.

Thank you.
