

Submitter: Karen Kaufman

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

To the House Judiciary Committee Members:

I am an Oregon voter and I support HB3075-1.

Please pass HB 3075-1 out of committee without delay so it is ready for full implementation as soon as the court's stay is lifted.

I helped get Measure 114 on the ballot and voted for it. Please take this one step to allow it to be smoothly implemented. It's time to stop the tragic loss of life and the physical and psychological injuries caused by gun violence.
