**Taxpayers Association of Oregon urges
No vote on HB 3075**

Measure 114 is already being called the most restrictive and bureaucratic gun control measure in America. HB 3075 increases both waiting delays and costs involved with Measure 114. This means if your life is immediately threatened by someone, your ability to purchase a firearm to save your life may take weeks, months --- and it may cost you a lot of money to save your life because this measure increases fees.
