Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3856

Please stop adding more taxes to or incomes. We pay plenty and many family's struggle to make ends meet already. Have you no heart for our people? Be more efficient with the money we already pay you. This bill doesn't even allocate all of the money it collects towards the department you say you are wanting to collect it for. General funds have no transparency of where our tax dollars are going.
