

Submitter: Monique Bochsler

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB634

My name is Monique Bochsler. I am a PCP for precinct 56 and a proud Oregonian.

I'm writing in support of SB 364.

I fully support us following what we have put in writing before. Hydroelectricity is such a huge source of energy and it should be held up to standards brought up since 1992. I believe this will be helpful for Oregonians and also increase Energy effectiveness.

Thanks so much for your time,

Monique Bochsler
