Measure, Appointment or Topic: HB3856

I strongly OPPOSE HB 3856 that would increase personal income tax on Oregonians.

The bill seeks to divert more income from hardworking Oregonians to support the Oregon Department of Fish and Wildlife that recently was found to have mismanaged funds during an audit, while increasing the State's general fund.

HB 3856 will only increase the burdens that working families who live from paycheck to paycheck already experience, while creating more poverty amongst older adults as they are not able to save funds for retirement.

Please vote NO on HB 3856 to preserve the livelihoods of our State's citizens.
