I strongly support this bill because we need to keep illegal guns out of our communities! As a home owner and parent in Portland, I demand that our city is made safer for my neighborhood and for my children. Less than 2% of Oregon's 2,000 gun dealers were inspected last year, even though nearly ½ of inspections show significant violations like selling guns without background checks or not reporting multiple sales. More than 6,000 crime guns were recovered in Oregon last year, and nearly 75% of these were traced to Oregon gun dealers. We need to stop the flow of illegal guns. States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%.

Nearly all other industries - taco trucks, salons, nail shops - are inspected. We must ensure the most deadly industry is held accountable to basic business standards. Please pass HB3076 to keep crime guns out of our communities.
