

Submitter: Nicholas Skrepetos

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This bill will only impact law-abiding citizens and infringe on our constitutional right to purchase and own firearms. It adds unnecessary expense and hurdles. We already have a system in place to validate the legal-right to own a firearm. This bill seems to only be to discourage and prevent law-abiding Oregonians from purchasing a firearm by adding extra, and unnecessary, procedures and expenses to owning a firearm.
