On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I oppose this measure! As a law abiding citizen why am I being punished for something that I didn't do? Why does a criminal have more rights than I do? Why are you restricting how I defend myself? Why should I have to give more money to the state, just to prove that I am innocent? When you can answer these questions please let me know. In the meantime quit trying to take away my right to protect myself and my family.

Thank you,
Carl Fitts
