I see this bill really isn't about guns it is about money, increasing fees. BUT. It is about more requirements on gun owners. The waiting period is already long enough. Between the state and feds gun owners get plenty of scrutiny when purchasing a gun. WE do NOT need more. This bill, in no way, will stop the number of gun crimes. It isn't the legal gun owners that are the problem. It is the lack of respect for others and lack of money for police. It is about mental health. It is about jobs. Most of all it's about drugs. When you allow drugs to flow, illegals to live freely in Oregon, then YOU have created a problem that can NOT be solved with ANY gun bill. Vote this bill DOWN!!!!!!
