Measure, Appointment or Topic: HB3075

Please stop HB 3075. The lawsuits against Measure 114 are ongoing, and should be allowed to resolve completely before legislative action occurs. Additionally, contrary to the appeals court, measure 114 is clearly understandable as unconstitutional by anyone who has basic read comprehension. The catch-22 and entrapment policies of HB 3075, that arbitrarily criminalize, and clearly deny the rights, of thousands of Oregonians should never become official law.
