

Submitter:

Tom OBrien

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

We voted in this amendment over two years ago and we have waited too long for these minimal protections to go into effect. Please do whatever you can to prepare this to move ahead quickly. For too long our, and other's, children have been the victims of crimes that could have been prevented with reasonable gun laws, now is the time to make the sensible move.
