Measure, Appointment or Topic: HB3075

Please pass HB 3075 to make sure Measure 114, supported by a majority of Oregonians, goes into effect smoothly and quickly. I am a parent of a small child who had his first active shooter drill on his first day of daycare at 18 months old. Please implement Measure 114, as passed by the will of the people, to keep my child and Oregon's children safe from gun violence.
