Measure, Appointment or Topic: HB3075

I am opposed to Measure 114. The right to bear arms did not take into account modern firearms and unforeseen issues. Criminals do not and Will Not abide by these rules...that's why they are criminals. The only people this Measure will affect is law abiding citizens. Measure 114 will only limit my personal ability to protect my family and innocent citizens. I live in rural Eastern Oregon and there are many times Law Enforcement may only have ONE officer on duty for the entire County, which means it can be up to TWO HOURS response time for 911. Please reconsider this Measure. I have no issues with closing the three day loop hole but the rest of the measure needs scrapped.
