On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose HB 3075, it is unconstitutional. The Democrats in this legislature think they have absolute immunity from law suits so they disregard their oath of office and by using their elected positions under the color of law intentionally and willfully try to deprive the law biding citizens their rights and privileges that are protected by the U.S. and Oregon Constitutions and laws of the United States. Deprivation of Rights Under the Color of Law is a Federal crime. I urge the committee to vote no on HB 3075.
