

Submitter: Floyd Donaldson
On Behalf Of:
Committee: House Committee On Revenue
Measure, Appointment or Topic: HB3755
To who it may concern:

I am a homeowner and on Social Security Disability. It is extremely hard to make payments on monthly bills as well the bloated property taxes. I have spent my working life to pay off my house, and continue to struggle to make property tax payments. It is unjust to make seniors on a fixed income worry about losing their property. Thank you for your time and thank you for considering this very impactful bill.
