

Submitter: Shantel Schroeder

On Behalf Of:

Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or Topic: HB3838

I am writing today in OPPOSITION to this bill. As someone who has a few family members receiving in home care, I can attest that the protections and standards are substantial. We do not need another "study" that cost taxpayer dollars to come up with more red tape. In Oregon we are severely short on in home care providers and workers. We do not need to further the shortfall. Please vote NO on this bill.
