

Submitter: Anna Nakano Baker

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure, Appointment or Topic: HB2976

Chair Hartman, Vice-Chair Nguyen, Vice-Chair Scharf, and Members of the Committee,

My name is Anna Nakano-Baker and I live and work in Hillsboro, OR. I would like to express my strong support of HB 2976.

Everybody knows that we are failing to uphold thousands of Oregonians' basic human rights with our current lack of translation standards for indigenous languages. Listen to the expertise of the excellent organization Pueblo Unido and support this bill!

Thank you,  
Anna Nakano-Baker
