

Submitter: Jeremiah Thorsted  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

This is just another infringement on our second ammendment rights. This bill is unconstitutional and makes it more difficult for an American citizen to purchase a Firearm. An infringement is an infringement no matter the size. Anyone trying to push this bill or sign there name on it shall be imprisoned for treason against our American constitution.
