

Submitter: Michael Saindon

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

As a retired member of the us military and former federal law enforcement official I strongly oppose to HB3075. Experience and history show that the provisions of this bill will do little to keep criminals from accessing firearms. It does nothing but punishes law abiding citizens. It would be better time and tax payer dollars to enforce the laws that are already on the books.
